

PRESS RELEASE

East County Law Enforcement Joint Traffic Enforcement

May 27th, 2022, to May 29th, 2022

The Antioch Police Department in partnership with the Brentwood Police Department, Pittsburg Police Department, Oakley Police Department, and California Highway Patrol will conduct a joint traffic enforcement detail May 27th, 2022, to May 29th, 2022. The joint operation will focus on reckless driving and sideshow activity in the East County and conduct vehicle emissions inspections. Any vehicles found with illegal emissions equipment will be referred to a California Smog Referee. This is in response to information provided by citizens regarding a planned sideshow event to take place in the east county area.

Antioch PD would like to thank our law enforcement partners and the citizens who help aid in our investigations.

Any further information or additional press releases will be provided by the Traffic Unit.

Anyone with information is asked to call the Antioch Police Department non-emergency line at (925)778-2441. You may also text-a-tip to 274637 (CRIMES) using the key word ANTIOCH.
